What Our Clients Say

PRASHANT SRIVASTAVA

-25 Sep 2025

We at Takahata Precision have been using Tally since the inception of our company, and in 2023, we registered Nandini Infosystem as our official Tally support partner. Their team has been extremely supportive, knowledgeable, & responsive to our needs. They have shown excellent expertise in creating custom TDLs tailored to our specific requirements. We are delighted with their services and highly recommend Nandini Infosystem for any Tally-related support.

AJAY KHAAS

-28 July 2025

We at TUNA Envirotech Pvt. Ltd. have been using Tally since 2019. It has proven to be a highly valuable software for our business operations. The customer support provided has also been very impressive and efficient.

AMIT RAY

-14 Aug 2025

I am writing to express my sincere satisfaction with the exceptional support services provided by the Nandini Infosys team for the Ceat Tally integration. Their expertise and responsiveness throughout the process have been invaluable.

VIVEK

-9 Oct 2025

Absolutely great service , always immediately. All these big shots like HDFC, Airtel should learn from them.

ASHOK YADAV

-4 Jan 2025

Firstly i love that this cloud facility we easily access tally anywhere, and work properly without any issue. If face any problem then staff solved the issues with in time & so co-operative and good behaviour. Its 100% recommended go for it.
